
Blue ladder - HRP monoclonal antibody
Purified Mouse Monoclonal Antibody
Catalog # ADN10253

Specification

**Blue ladder - HRP monoclonal antibody -
Product Information**

Application	WB
Host	Mouse
Clonality	Monoclonal

**Blue ladder - HRP monoclonal antibody -
Additional Information**

Target/Specificity

Specific for blue colour used in protein MW markers

Precautions

Blue ladder - HRP monoclonal antibody is for research use only and not for use in diagnostic or therapeutic procedures.

**Blue ladder - HRP monoclonal antibody -
Protein Information**

**Blue ladder - HRP monoclonal antibody
- Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)

**Blue ladder - HRP monoclonal antibody
- Background**

The new Blue ladder - HRP monoclonal antibody allows you to develop your ladder simultaneously with your proteins of interest during western blotting. Simply add this antibody along with your secondary HRP-coupled antibody and visualize your proteins and the blue pre-stained protein ladder on one membrane.
