
Stability and Reactivity

Stability: Stable under ordinary conditions of use and storage.
Hazardous Decomposition Products: Nature of decomposition products not known.
Hazardous Polymerization: Will not occur.
Incompatibilities: Strong oxidizing agents.
Conditions to Avoid: Moist, heat, incompatibles.

Special Precautions

This compound is sold only for research use by personnel familiar with the toxicology of organic chemicals and who are well trained in good laboratory habits, such as avoiding spills, keeping hands clean at all times and not rubbing eyes with hands while working in the laboratory.
This compound is sold only in milligram quantities for use in biochemical research. No other use is intended, and any other use may involve substantial hazards.

The above information is believed to be correct but does not purport to be inclusive and shall be used only as a guide for experienced personnel. Abcepta, Inc., shall not be held liable for any damage resulting from the handling of or from contact with the above product. The burden of safe use of this material rests entirely with the user.
