

SOX-10
Rabbit Monoclonal antibody(Mab)
Catalog # AD80247**Specification**

SOX-10 - Product info

Application	IHC-P
Primary Accession	P56693
Reactivity	Human
Host	Rabbit
Clonality	Monoclonal
Calculated MW	49911

SOX-10 - Additional info

Gene ID	6663
Gene Name	SOX10
Other Names	
Transcription factor SOX-10, SOX10	

Dilution

IHC-P~~Ready-to-use

Storage

Maintain refrigerated at 2-8°C

Precautions**SOX-10 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.****SOX-10 - Protein Information****Name** SOX10**Function**

Transcription factor that plays a central role in developing and mature glia. Specifically activates expression of myelin genes, during oligodendrocyte (OL) maturation, such as DUSP15 and MYRF, thereby playing a central role in oligodendrocyte maturation and CNS myelination. Once induced, MYRF cooperates with SOX10 to implement the myelination program. Transcriptional activator of MITF, acting synergistically with PAX3 (PubMed:[21965087](#)). Cytoplasm. Nucleus. Mitochondrion outer membrane {ECO:0000250|UniProtKB:Q04888};

Cellular Location

Tissue Location

Peripheral membrane protein
{ECO:0000250|UniProtKB:Q04888};
Cytoplasmic side
{ECO:0000250|UniProtKB:Q04888}
Expressed in fetal brain and in adult brain,
heart, small intestine and colon

SOX-10 - Protocols

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)

SOX-10 - Images

Malignant melanoma

Immunohistochemical analysis of paraffin-embedded tissue using AD80278 performed on the Abcarta® FAIP-30 Fully automated IHC platform. Tissue was fixed with formaldehyde at room temperature, antigen retrieval was by heat mediation with a EDTA buffer (pH9.0). Samples were incubated with primary antibody (Ready-to-use) for 15 min at room temperature. AmpSee™ Detection Systems [Abcepta:AR005] was used as the secondary antibody.
