

**Rassf1 (mouse) Antibody (internal region)**  
**Peptide-affinity purified goat antibody**  
**Catalog # AF2582a****Specification**

---

**Rassf1 (mouse) Antibody (internal region) - Product Information**

|                   |                                                                                            |
|-------------------|--------------------------------------------------------------------------------------------|
| Application       | E                                                                                          |
| Primary Accession | <a href="#">O99MK9.1</a>                                                                   |
| Other Accession   | <a href="#">NP_062687.1</a> , <a href="#">56289 (mouse)</a> , <a href="#">363140 (rat)</a> |
| Predicted         | Mouse, Rat                                                                                 |
| Host              | Goat                                                                                       |
| Clonality         | Polyclonal                                                                                 |
| Concentration     | 0.5 mg/ml                                                                                  |
| Isotype           | IgG                                                                                        |

**Rassf1 (mouse) Antibody (internal region) - Additional Information****Other Names**

RASSF1; Ras association (RalGDS/AF-6) domain family 1; AA536941; AU044980; NORE2A; RDA32; REH3P21; Rassf1A; Rassf1B; Rassf1C; 123F protein

**Format**

0.5 mg/ml in Tris saline, 0.02% sodium azide, pH7.3 with 0.5% bovine serum albumin

**Storage**

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

**Precautions**

Rassf1 (mouse) Antibody (internal region) is for research use only and not for use in diagnostic or therapeutic procedures.

**Rassf1 (mouse) Antibody (internal region) - Protein Information****Rassf1 (mouse) Antibody (internal region) - Protocols**

Provided below are standard protocols that you may find useful for product applications.
