

**Dpm2 (mouse) Antibody (C-Term)**  
**Peptide-affinity purified goat antibody**  
**Catalog # AF2849a****Specification**

---

**Dpm2 (mouse) Antibody (C-Term) - Product Information**

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Application       | E                                                           |
| Primary Accession | <a href="#">O9Z324.3</a>                                    |
| Other Accession   | <a href="#">NP_034203.1</a> , <a href="#">13481 (mouse)</a> |
| Predicted         | Mouse                                                       |
| Host              | Goat                                                        |
| Clonality         | Polyclonal                                                  |
| Concentration     | 0.5 mg/ml                                                   |
| Isotype           | IgG                                                         |

**Dpm2 (mouse) Antibody (C-Term) - Additional Information****Other Names**

Dpm2; dolichol-phosphate (beta-D) mannosyltransferase 2; RP23-255P20.5; AW557993; R75484; OTTMUSP00000012854

**Format**

0.5 mg/ml in Tris saline, 0.02% sodium azide, pH7.3 with 0.5% bovine serum albumin

**Storage**

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

**Precautions**

Dpm2 (mouse) Antibody (C-Term) is for research use only and not for use in diagnostic or therapeutic procedures.

**Dpm2 (mouse) Antibody (C-Term) - Protein Information****Dpm2 (mouse) Antibody (C-Term) - Protocols**

Provided below are standard protocols that you may find useful for product applications.
