

**Kbp Antibody - N-terminal region**  
**Rabbit Polyclonal Antibody**  
**Catalog # AI14812****Specification**

---

**Kbp Antibody - N-terminal region - Product Information**

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Application       | WB                                                             |
| Primary Accession | <a href="#">Q6ZPU9-2</a>                                       |
| Reactivity        | Human, Mouse, Rat, Rabbit, Pig, Horse, Bovine, Guinea Pig, Dog |
| Predicted         | Human, Mouse, Rat, Rabbit, Pig, Horse, Bovine, Guinea Pig, Dog |
| Host              | Rabbit                                                         |
| Clonality         | Polyclonal                                                     |
| Calculated MW     | 43kDa KDa                                                      |

**Kbp Antibody - N-terminal region - Additional Information**

Alias Symbol **KBP, mKIAA1279, 0710007C18Rik,**  
**Format**  
Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.

**Reconstitution & Storage**

Add 50 ul of distilled water. Final anti-Kbp antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles.

**Precautions**

Kbp Antibody - N-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.

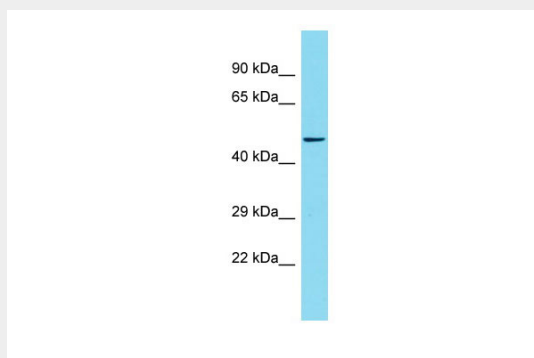

**Kbp Antibody - N-terminal region - Protein Information****Kbp Antibody - N-terminal region - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)

---

Host: Rabbit  
Target Name: Kbp  
Sample Tissue: Mouse Thymus lysates  
Antibody Dilution: 1.0µg/ml
