

Cytokeratin Type II Antibody (clone AE3)
Mouse Monoclonal Antibody
Catalog # ALS14174**Specification**

Cytokeratin Type II Antibody (clone AE3) - Product Information

Application	IHC
Reactivity	Human
Host	Mouse
Clonality	Monoclonal

Cytokeratin Type II Antibody (clone AE3) - Additional Information**Target/Specificity**

This antibody has shown to recognize most of the basic (type II) keratins. Each epithelium contains at least one basic keratin. In this way AE-3 is broadly reactive with almost all epithelial and there neoplasms. This antibody together with AE-1 has ...

Reconstitution & Storage

Store at 4°C.

Precautions

Cytokeratin Type II Antibody (clone AE3) is for research use only and not for use in diagnostic or therapeutic procedures.

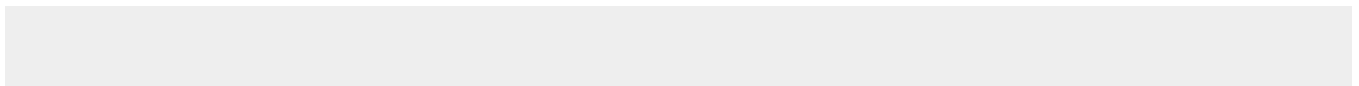

Cytokeratin Type II Antibody (clone AE3) - Protein Information**Volume**

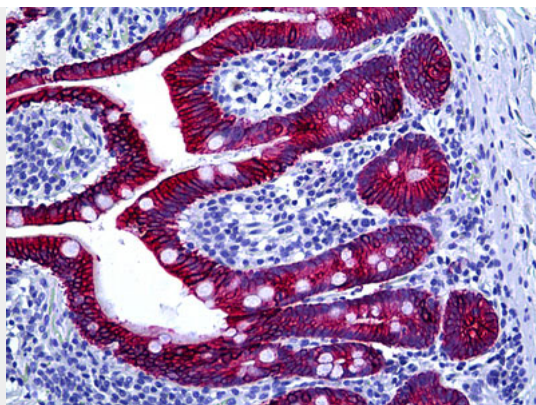

50 µl
