

**LONRF1/RNF191 Polyclonal Antibody**  
**Purified Rabbit Polyclonal Antibody (Pab)**  
**Catalog # AP57047****Specification****LONRF1/RNF191 Polyclonal Antibody - Product Information**

|                                |                                                                                                                           |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Application                    | IHC-P, IHC-F, IF, ICC                                                                                                     |
| Primary Accession              | <a href="#">Q17RB8</a>                                                                                                    |
| Reactivity                     | Rat, Pig                                                                                                                  |
| Host                           | Rabbit                                                                                                                    |
| Clonality                      | Polyclonal                                                                                                                |
| Calculated MW                  | 87 KDa                                                                                                                    |
| Physical State                 | Liquid                                                                                                                    |
| Immunogen                      | KLH conjugated synthetic peptide derived from human LONRF1/RNF191                                                         |
| Epitope Specificity            | 331-430/773                                                                                                               |
| Isotype                        | IgG                                                                                                                       |
| <b>Purity</b>                  |                                                                                                                           |
| affinity purified by Protein A |                                                                                                                           |
| Buffer                         | 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                         |
| SIMILARITY                     | Contains 1 Lon domain. Contains 2 RING-type zinc fingers. Contains 4 TPR repeats.                                         |
| Important Note                 | This product as supplied is intended for research use only, not for use in human, therapeutic or diagnostic applications. |

**Background Descriptions**

Contains 1 Lon domain. Contains 1 RING-type zinc finger.

**LONRF1/RNF191 Polyclonal Antibody - Additional Information**

**Gene ID** 91694

**Other Names**

LON peptidase N-terminal domain and RING finger protein 1, RING finger protein 191, LONRF1, RNF191

**Dilution**

IHC-P ~ ~ N/A  
IHC-F ~ ~ N/A  
IF ~ ~ 1:50 ~ 200  
ICC ~ ~ N/A

**Storage**

Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C.

## **LONRF1/RNF191 Polyclonal Antibody - Protein Information**

**Name** LONRF1

**Synonyms** RNF191

## **LONRF1/RNF191 Polyclonal Antibody - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)
