

# Phospho-Progesterone Receptor (Ser190) Rabbit mAb

Catalog # AP75954

## **Specification**

## Phospho-Progesterone Receptor (Ser190) Rabbit mAb - Product Information

Application WB, IHC-P, IHC-F, IP, ICC

Primary Accession
Reactivity
Human
Host
Rabbit

Clonality Monoclonal Antibody

Calculated MW 98981

## Phospho-Progesterone Receptor (Ser190) Rabbit mAb - Additional Information

**Gene ID 5241** 

**Other Names** 

PGR

**Dilution** 

WB~~1/500-1/1000

IHC-P~~N/A IHC-F~~N/A IP~~N/A ICC~~N/A

**Format** 

Liquid

#### Phospho-Progesterone Receptor (Ser190) Rabbit mAb - Protein Information

Name PGR

Synonyms NR3C3

#### **Function**

The steroid hormones and their receptors are involved in the regulation of eukaryotic gene expression and affect cellular proliferation and differentiation in target tissues. Depending on the isoform, progesterone receptor functions as a transcriptional activator or repressor.

#### **Cellular Location**

Nucleus. Cytoplasm. Note=Nucleoplasmic shuttling is both hormone- and cell cycle-dependent. On hormone stimulation, retained in the cytoplasm in the G(1) and G(2)/M phases [Isoform 4]: Mitochondrion outer membrane

#### **Tissue Location**

In reproductive tissues the expression of isoform A and isoform B varies as a consequence of developmental and hormonal status. Isoform A and isoform B are expressed in comparable levels

in uterine glandular epithelium during the proliferative phase of the menstrual cycle. Expression of isoform B but not of isoform A persists in the glands during mid-secretory phase. In the stroma, isoform A is the predominant form throughout the cycle. Heterogeneous isoform expression between the glands of the endometrium basalis and functionalis is implying region-specific responses to hormonal stimuli

## Phospho-Progesterone Receptor (Ser190) Rabbit mAb - Protocols

Provided below are standard protocols that you may find useful for product applications.

- Western Blot
- Blocking Peptides
- Dot Blot
- <u>Immunohistochemistry</u>
- Immunofluorescence
- <u>Immunoprecipitation</u>
- Flow Cytomety
- Cell Culture
