

C Reactive Protein Antibody Rabbit mAb Catalog # AP90391

Specification

C Reactive Protein Antibody - Product Information

ApplicationWB, IHC, IPPrimary AccessionP02741ClonalityMonoclonalOther NamesCRP; Pentraxin 1; PTX1; C reactive protein pentraxin related;

Isotype	Rabbit IgG
Host	Rabbit
Calculated MW	25039 Da

C Reactive Protein Antibody - Additional Information

Dilution	WB~~1:1000 IHC~~1:100~500 IP~~N/A
Purification Immunogen	Affinity-chromatography A synthesized peptide derived from human C Reactive Protein
Description	Serum CRP values are routinely measured to detect or monitor many human diseases and minor elevations of C-reactive protein are predictive of cardiovascular events in patients with coronary heart disease. CRP promotes host defense, is an efficient activator of the classical C cascade, and shown to be opsonic.The opsonic and C activation activities are responsible for the nonspecific host defense activities providing protection in the preimmune stage of acute infections.
Storage Condition and Buffer	Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

C Reactive Protein Antibody - Protein Information

Name CRP

Synonyms PTX1

Function

Displays several functions associated with host defense: it promotes agglutination, bacterial capsular swelling, phagocytosis and complement fixation through its calcium-dependent binding to phosphorylcholine. Can interact with DNA and histones and may scavenge nuclear material released from damaged circulating cells.

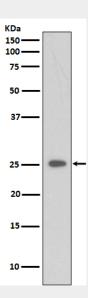

Cellular Location Secreted.

Tissue Location Found in plasma.

C Reactive Protein Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- <u>Western Blot</u>
- Blocking Peptides
- Dot Blot
- Immunohistochemistry
- Immunofluorescence
- Immunoprecipitation
- Flow Cytomety
- <u>Cell Culture</u>
- **C Reactive Protein Antibody Images**

Western blot analysis of CRP expression in Etoposide treated 293 whole cell lysates.
