

A2M Antibody

Rabbit mAb Catalog # AP91252

Specification

A2M Antibody - Product Information

Application WB, IHC
Primary Accession P01023
Clonality Monoclonal

Other Names

A2m; Alpha 2M; Alpha-2-macroglobulin; C3 and PZP-like alpha-2-macroglobulin domain-containing

protein 5; CPAMD5; FWP007; S863 7;

Isotype Rabbit IgG
Host Rabbit
Calculated MW 163291 Da

A2M Antibody - Additional Information

Dilution WB~~1:1000

IHC~~1:100~500

Purification Affinity-chromatography

Immunogen A synthesized peptide derived from human

A2M

Description Alpha-2-macroglobulin is a protease

inhibitor and cytokine transporter. It inhibits many proteases, including trypsin,

thrombin and collagenase. A2M is

implicated in Alzheimer disease (AD) due to its ability to mediate the clearance and

degradation of A-beta, the major component of beta-amyloid deposits.

Storage Condition and Buffer Rabbit IgG in phosphate buffered saline,

pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid

freeze / thaw cycle.

A2M Antibody - Protein Information

Name A2M

Synonyms CPAMD5

Function

Is able to inhibit all four classes of proteinases by a unique 'trapping' mechanism. This protein has a peptide stretch, called the 'bait region' which contains specific cleavage sites for different proteinases. When a proteinase cleaves the bait region, a conformational change is induced in the protein which traps the proteinase. The entrapped enzyme remains active against low molecular

weight substrates (activity against high molecular weight substrates is greatly reduced). Following cleavage in the bait region, a thioester bond is hydrolyzed and mediates the covalent binding of the protein to the proteinase.

Cellular Location Secreted.

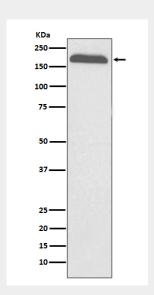

Tissue Location Secreted in plasma...

A2M Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- Western Blot
- Blocking Peptides
- Dot Blot
- <u>Immunohistochemistry</u>
- Immunofluorescence
- Immunoprecipitation
- Flow Cytomety
- Cell Culture

A2M Antibody - Images

Western blot analysis of A2M expression in human plasma lysate.
