

**CLPP Antibody**  
**Rabbit mAb**  
**Catalog # AP92459****Specification****CLPP Antibody - Product Information**

Application	WB, IHC, IP
Primary Accession	<a href="#">Q16740</a>
Reactivity	Rat
Clonality	Monoclonal
<b>Other Names</b>	
Endopeptidase Clp;	
Isotype	Rabbit IgG
Host	Rabbit
Calculated MW	30180 Da

**CLPP Antibody - Additional Information**

Dilution	WB~~1:1000 IHC~~1:100~500 IP~~N/A
Purification	Affinity-chromatography
Immunogen	A synthesized peptide derived from human CLPP
Description	Clp cleaves peptides in various proteins in a process that requires ATP hydrolysis. Clp may be responsible for a fairly general and central housekeeping function rather than for the degradation of specific substrates.
Storage Condition and Buffer	Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

**CLPP Antibody - Protein Information****Name** CLPP ([HGNC:2084](#))**Function**

Protease component of the ClpXP complex that cleaves peptides and various proteins in an ATP-dependent process. Has low peptidase activity in the absence of CLPX. The ClpXP complex can degrade CSN1S1, CSN2 and CSN3, as well as synthetic peptides (in vitro) and may be responsible for a fairly general and central housekeeping function rather than for the degradation of specific substrates (PubMed:<a href="http://www.uniprot.org/citations/11923310" target="\_blank">11923310</a>, PubMed:<a href="http://www.uniprot.org/citations/15522782" target="\_blank">15522782</a>). Cleaves PINK1 in the mitochondrion (PubMed:<a href="http://www.uniprot.org/citations/22354088" target="\_blank">22354088</a>).

**Cellular Location**

Mitochondrion matrix

**Tissue Location**

Detected in liver (at protein level). Predominantly expressed in skeletal muscle. Intermediate levels in heart, liver and pancreas. Low in brain, placenta, lung and kidney

**CLPP Antibody - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
