

MLKL Antibody

Rabbit mAb Catalog # AP92641

Specification

MLKL Antibody - Product Information

Application WB, IP
Primary Accession Q8NB16
Clonality Monoclonal

Other Names

hMLKL; Mixed lineage kinase domain like; Mlkl;

Isotype Rabbit IgG
Host Rabbit
Calculated MW 54479 Da

MLKL Antibody - Additional Information

Dilution WB~~1:1000

IP~~N/A

Purification Affinity-chromatography

Immunogen
Description
A synthesized peptide derived from MLKL
Pseudokinase that plays a key role in

TNF-induced necroptosis, a programmed

cell death process.

Storage Condition and Buffer Rabbit IgG in phosphate buffered saline,

pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid

freeze / thaw cycle.

MLKL Antibody - Protein Information

Name MLKL {ECO:0000303|PubMed:22265413, ECO:0000312|HGNC:HGNC:26617}

Function

Pseudokinase that plays a key role in TNF-induced necroptosis, a programmed cell death process (PubMed:22265413, PubMed:22265414, PubMed:22421439, PubMed:24316671). Does not have protein kinase activity (PubMed:22265413, PubMed:22265414, PubMed:22421439, PubMed:22421439, PubMed:22421439). Activated following phosphorylation by RIPK3, leading to homotrimerization, localization to the plasma membrane and execution of programmed necrosis characterized by calcium influx and plasma membrane damage (PubMed:<a href="http://www.uniprot.org/citations/22265413"

target="_blank">22265413, PubMed:22265414, PubMed:22421439, PubMed:24316671, PubMed:24316671, PubMed:24316671, PubMed:24316671, PubMed:24316671, PubMed:24316671, PubMed:<a href="http://www.uniprot.org/citatio

Cellular Location

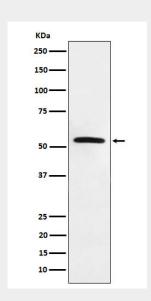

Cytoplasm. Cell membrane Nucleus {ECO:0000250|UniProtKB:Q9D2Y4}. Note=Localizes to the cytoplasm and translocates to the plasma membrane on necroptosis induction (PubMed:24316671). Localizes to the nucleus in response to orthomyxoviruses infection (By similarity) {ECO:0000250|UniProtKB:Q9D2Y4, ECO:0000269|PubMed:24316671}

MLKL Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- Western Blot
- Blocking Peptides
- Dot Blot
- Immunohistochemistry
- Immunofluorescence
- Immunoprecipitation
- Flow Cytomety
- Cell Culture

MLKL Antibody - Images

Western blot analysis of MLKL expression in Hela cell lysate.
