

**SRRD Antibody (Center) Blocking Peptide**  
**Synthetic peptide**  
**Catalog # BP16961c****Specification**

---

**SRRD Antibody (Center) Blocking Peptide - Product Information**Primary Accession [Q9UH36](#)**SRRD Antibody (Center) Blocking Peptide - Additional Information****Gene ID** 402055**Other Names**

SRR1-like protein, SRR1 domain-containing protein, SRRD, SRR1L

**Format**

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

**Storage**

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

**Precautions**

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

**SRRD Antibody (Center) Blocking Peptide - Protein Information****Name** SRRD**Synonyms** SRR1L**Function**

Plays a role in the regulation of heme biosynthesis and in the regulation of the expression of core clock genes.

**Cellular Location**

Cytoplasm {ECO:0000250|UniProtKB:Q8K2M3}. Note=Also found in intracellular organelles {ECO:0000250|UniProtKB:Q8K2M3}

**SRRD Antibody (Center) Blocking Peptide - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Blocking Peptides](#)

**SRRD Antibody (Center) Blocking Peptide - Images**

**SRRD Antibody (Center) Blocking Peptide - Background**

SRRD may be involved in a circadian clock input pathway (By similarity).
