

LARP1B Antibody (C-term) Blocking Peptide
Synthetic peptide
Catalog # BP17692b**Specification**

LARP1B Antibody (C-term) Blocking Peptide - Product InformationPrimary Accession [Q659C4](#)**LARP1B Antibody (C-term) Blocking Peptide - Additional Information****Gene ID** 55132**Other Names**

La-related protein 1B, La ribonucleoprotein domain family member 1B, La ribonucleoprotein domain family member 2, La-related protein 2, LARP1B, LARP2

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

LARP1B Antibody (C-term) Blocking Peptide - Protein Information**Name** LARP1B**Synonyms** LARP2**LARP1B Antibody (C-term) Blocking Peptide - Protocols**

Provided below are standard protocols that you may find useful for product applications.

LARP1B Antibody (C-term) Blocking Peptide - Images**LARP1B Antibody (C-term) Blocking Peptide - Background**

This gene encodes a protein containing domains found in the La related protein of *Drosophila melanogaster*. Lamotif-containing proteins are thought to be RNA-binding proteins, where the La motif and adjacent amino acids fold into an RNA recognition motif. The La motif is also found in proteins unrelated to the La protein. Alternative splicing has been observed at this locus and three variants, encoding distinct isoforms, are described. Additional splice variation has been identified

but the full-length nature of these transcripts has not been determined.
