

LBH Antibody (Center) Blocking Peptide Synthetic peptide Catalog # BP18004c

### Specification

## LBH Antibody (Center) Blocking Peptide - Product Information

Primary Accession

#### <u>Q53QV2</u>

LBH Antibody (Center) Blocking Peptide - Additional Information

Gene ID 81606

Other Names Protein LBH, hLBH, LBH

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

**Storage** Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

**Precautions** This product is for research use only. Not for use in diagnostic or therapeutic procedures.

#### LBH Antibody (Center) Blocking Peptide - Protein Information

Name LBH (<u>HGNC:29532</u>)

**Function** Transcriptional activator which may act in mitogen-activated protein kinase signaling pathway.

Cellular Location Nucleus. Cytoplasm

**Tissue Location** Highly expressed in heart, and expressed at low levels in placenta, lung, skeletal muscle, kidney and liver

#### LBH Antibody (Center) Blocking Peptide - Protocols

Provided below are standard protocols that you may find useful for product applications.

Blocking Peptides
