

TINAG Antibody (C-term) Blocking Peptide
Synthetic peptide
Catalog # BP19476b

Specification

TINAG Antibody (C-term) Blocking Peptide - Product Information

TINAG Antibody (C-term) Blocking Peptide - Additional Information

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

TINAG Antibody (C-term) Blocking Peptide - Protein Information

TINAG Antibody (C-term) Blocking Peptide - Protocols

Provided below are standard protocols that you may find useful for product applications.
