

## **BCL2 Antibody (N-term) Blocking Peptide**

Synthetic peptide Catalog # BP19614a

### **Specification**

#### BCL2 Antibody (N-term) Blocking Peptide - Product Information

# BCL2 Antibody (N-term) Blocking Peptide - Additional Information

#### **Format**

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

#### Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

#### **Precautions**

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

### BCL2 Antibody (N-term) Blocking Peptide - Protein Information

### **BCL2 Antibody (N-term) Blocking Peptide - Protocols**

Provided below are standard protocols that you may find useful for product applications.

#### BCL2 Antibody (N-term) Blocking Peptide - Background

This gene encodes an integral outer mitochondrial membraneprotein that blocks the apoptotic death of some cells such aslymphocytes. Constitutive expression of BCL2, such as in the caseof translocation of BCL2 to Ig heavy chain locus, is thought to bethe cause of follicular lymphoma. Two transcript variants, producedby alternate splicing, differ in their C-terminal ends. [providedby RefSeq].
