

PTPRZ1 Blocking Peptide (N-term)

Synthetic peptide

Catalog # BP21103a

Specification

PTPRZ1 Blocking Peptide (N-term) - Product Information

Primary Accession

[P23471](#)

Other Accession

[Q62656](#)**PTPRZ1 Blocking Peptide (N-term) - Additional Information**

Gene ID 5803

Other Names

Receptor-type tyrosine-protein phosphatase zeta, R-PTP-zeta, Protein-tyrosine phosphatase receptor type Z polypeptide 1, Protein-tyrosine phosphatase receptor type Z polypeptide 2, R-PTP-zeta-2, PTPRZ1, HTPZP2, PTPRZ, PTPRZ2, PTPZ

Target/Specificity

The synthetic peptide sequence is selected from aa 446-460 of HUMAN PTPRZ1

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

PTPRZ1 Blocking Peptide (N-term) - Protein Information

Name PTPRZ1

Synonyms HTPZP2, PTPRZ, PTPRZ2, PTPZ

Function

Protein tyrosine phosphatase that negatively regulates oligodendrocyte precursor proliferation in the embryonic spinal cord. Required for normal differentiation of the precursor cells into mature, fully myelinating oligodendrocytes. May play a role in protecting oligodendrocytes against apoptosis. May play a role in the establishment of contextual memory, probably via the dephosphorylation of proteins that are part of important signaling cascades (By similarity).

Cellular Location

[Isoform 1]: Cell membrane; Single-pass type I membrane protein. Secreted. Note=A secreted form is apparently generated by shedding of the extracellular domain

Tissue Location

Specifically expressed in the central nervous system, where it is localized in the Purkinje cell layer of the cerebellum, the dentate gyrus, and the subependymal layer of the anterior horn of the lateral ventricle. Developmentally regulated in the brain.

PTPRZ1 Blocking Peptide (N-term) - Protocols

Provided below are standard protocols that you may find useful for product applications.
