

**Human NADK cDNA Clone**  
**Human cDNA**  
**Catalog # DC00790****Specification**

---

**Human NADK cDNA Clone - Product Information**

|                      |                                                         |
|----------------------|---------------------------------------------------------|
| Primary Accession    | <a href="#">BC001709</a>                                |
| Other Accession      | <a href="#">NM_001198993</a> , <a href="#">BE268959</a> |
| Tag For Purification | <b>EcoRI+XhoI</b>                                       |
| Vector               | <b>pcDNA4/TO/myc-His A</b>                              |
| Orf Size             | <b>1338</b>                                             |

**Human NADK cDNA Clone - Additional Information**

|                                                                                                |              |
|------------------------------------------------------------------------------------------------|--------------|
| Gene ID                                                                                        | <b>65220</b> |
| Gene Symbol                                                                                    | <b>NADK</b>  |
| <b>Other Names</b>                                                                             |              |
| DKFZp686L22239, FLJ13052, FLJ37724, FLJ54695, FLJ77769, FLJ78247, FLJ78307, MGC1900, dj283E3.1 |              |

**Format**

The cDNA clone is shipped as dried plasmid DNA.

**Storage**

Maintain refrigerated at 2-8°C for up to one week. For long term storage store at -20°C

**Precautions**

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

**Human NADK cDNA Clone - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)
