

**Human MPG cDNA Clone**  
**Human cDNA**  
**Catalog # DC03994****Specification**

---

**Human MPG cDNA Clone - Product Information**

|                      |                            |
|----------------------|----------------------------|
| Primary Accession    | <a href="#">BC014991</a>   |
| Other Accession      | <a href="#">BC014991</a>   |
| Tag For Purification | <b>EcoRI+XhoI</b>          |
| Vector               | <b>pcDNA4/TO/myc-His A</b> |
| Orf Size             | <b>879</b>                 |

**Human MPG cDNA Clone - Additional Information**

|                                                         |             |
|---------------------------------------------------------|-------------|
| Gene ID                                                 | <b>4350</b> |
| Gene Symbol                                             | <b>MPG</b>  |
| <b>Other Names</b>                                      |             |
| AAG, ADPG, APNG, CRA36.1, MDG, Mid1, PIG11, PIG16, anpg |             |

**Format**

The cDNA clone is shipped as dried plasmid DNA.

**Storage**

Maintain refrigerated at 2-8°C for up to one week. For long term storage store at -20°C

**Precautions**

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

**Human MPG cDNA Clone - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)
