

SCPB
Synthetic Peptide
Catalog # SP2957b**Specification**

SCPB - Product Information

Primary Accession
Sequence

[P09892](#)
NH2-MNYLAFPRM-CONH2

SCPB - Additional Information

Gene ID 101845040

Other Names

Small cardioactive peptides, Small cardioactive peptide B, SCP B, Small cardioactive peptide A, SCP A, SCP

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

SCPB - Protein Information

Name SCP

Function

Involved in the stimulation of contractile activity in the gut, the increase of the amplitude of the heart beat, and enhancement of the contractile response of the radula closer muscle.

Cellular Location

Secreted.

Tissue Location

Highly expressed in the buccal ganglion.
